RELEVANT EXPERIENCE

PAYARC, Greenwich, CT

July 2022 - October 2024

Credit Risk Analyst

- Manage a diverse portfolio of small and large merchants, performing financial modeling and risk assessments to project future cash flows and identify potential financial risks.
- Collaborate closely with Portfolio Management and Accounting teams to maintain a streamlined, accurate workflow for transactional analysis and reporting.
- Led weekly risk call meetings with the CEO, CFO and Private Equity investors, providing insights into overall portfolio risk exposure, market trends, and risk mitigation strategies.

Open Field Capital LLC, New York, NY

Summer 2021

Analyst Intern

- Worked directly with the CFO and CIO in assessment of investment opportunities
- Analyzed valuation metrics, including EV/Revenue, EV/FCF and EV/GP when appropriate
- Conducted trend line analysis of software companies using the Gartner Magic Quadrants resource
- Attended weekly research calls with the team
- Hands-on experience in executing trade confirmations and processing for equities and options

New Republic Pictures, New York, NY

Summer 2021

Production Analyst

- Judged screenplays using five metrics provided by the company: Concept, Plot, Structure, Characters, Dialogue
- Responsible for providing a ranking for each metric along with written comments
- Created spreadsheets to compare movie financials: variables included budget, US gross, worldwide gross, opening day gross, and cast list
